

KDHE Recognizes State Service with Ceremony

Eighty employees will be honored on August 18 for reaching service milestones in their careers in state employment. For the first time, KDHE will recognize employees who have completed five years service with an award certificate. A total of 32 employees will receive pins for completion of 10, 20 and 30 years.

The ceremony will begin at 2:00 p.m. in Memorial Hall followed by a reception in the Secretary's Hearing's Room on the fifth floor of the Curtis Building.

One employee, Delbert Zerr, will be honored for completion of 40 years of state employment at a special ceremony with the Governor during the month of August.
